

RE: 2011 CARIB GREAT RACE

All boats will congregate in the Foreshore area from 7.00am to begin a boat parade at 7:20am proceeding in single file at 10 mph heading east along the coast to the Hyatt Regency Hotel.

Once passed the Hyatt Regency Hotel the boats would head south east to the mill area for their respective start sequence.

The course, which starts in Port of Spain, Trinidad is as follows:

At 7:50am the start of the Pirogue Class and Production Class only.

At 8:00am the start of the S1, S11 and the M,C and B Class only.

P AND D CLASS – Start time 7:50am

At 7:47am the Pirogue and Production boat class will begin the mill procedure around the mill mark south east of the Hyatt Regency Hotel.

- ❑ At 7:50am the Pirogue and Production boat class will start
- ❑ Heading west about ¾ miles off the coast.
- ❑ Proceeding to the Five Islands around a marker buoy heading west through Point Gourde and Carrera Island towards Canning's Point, north through the 1st Boca turning to starboard to the North Coast.
- ❑ *All boats with penalties will turn back around two buoys on their starboard in the Foreshore area, they proceed to the Zanzibar marker off Movie Towne point, leaving it to port returning to the Hyatt markers to complete their circuit.*

The Pirogue, Production Class will proceed up the coast keeping Sauté D'eau to starboard on their way to Grand Rivere. (DO NOT ENTER MARACAS BAY)

- ❑ At Grand Rivere the Pirogue and Production Class will proceed turning northwest at compass bearing approximately 58 degrees (Magnetic) and proceeding across the shallows to a marker boat at Lowlands point.
- ❑ Keeping Red Rock to starboard, and keeping the marker buoy off Lambeau to starboard through the finish gate south to a marker buoy west to another marker, north back to the Lambeau mark through the finish gate, to complete a 1 and ½ lap circuit along the Esplanade in Scarborough.

S1 & S11, AND M, C, B CLASS – Start time 8:00am

At 7:57am the S1, S11 Classes and Racing Classes will begin the mill procedure around the mill mark south east of the Hyatt Regency Hotel.

- ❑ At 8:00am the S1,S11 Class and Racing Class will start
- ❑ Heading west about ¾ miles off the coast.
- ❑ Proceeding west toward the Foreshore area outer marker buoy.

S1 CLASS:

- ❑ Proceeding to the Five Islands around a marker buoy heading west through Point Gourde and Carrera Island towards Canning's Point, north through the 1st Boca turning to starboard to the North Coast.
- ❑ *All S1boats with penalties will turn back around two buoys on their starboard in the Foreshore area, they proceed to the Zanzibar marker off Movie Towne point, leaving it to port returning to the Hyatt markers to complete their circuit.*

S11 CLASS:

SII Class boats turning around two buoys on their starboard in the Foreshore area, they proceed to the Zanzibar marker off Movie Towne point, leaving it to port returning to the Hyatt markers to complete their circuit.

- They would then proceed west to a marker buoy just north of the Five Islands keeping this to port heading west through Point Gourde and Carrera Island towards Canning's Point, north through the 1st Boca turning to starboard to the North Coast.

- *All S11 boats with penalties will again proceed west toward the Foreshore area passing the outer Foreshore mark to starboard on to Westmooring, TTYC on their starboard to turn about two markers on their starboard in Dhien's Bay back to the Foreshore inner mark, leaving it to starboard they proceed to the Zanzibar marker off Movie Towne point, leaving it to port returning to the Hyatt markers to complete their circuit. Proceed around a marker buoy just north of the Five Islands keeping this to port proceeding west passing south of Carrera, Kronstadt, leaving Point Baliene to starboard then on to the 1st Boca turning to starboard to the North Coast.*

- The SI, SII Class will proceed up the coast keeping Sauté D'eau to starboard until Maracas Bay. Into Maracas Bay turning about a marker and returning on the easterly run along the coast to Grand Riviere.

- At Grand Riviere the SI, SII Class will proceed turning northwest at compass bearing approximately 46 degrees (Magnetic) and proceeding across the shallows to Store Bay about two marks turning south around Crown Point east to a marker boat at Lowlands point.
- Keeping Red Rock to starboard, and keeping the marker buoy off Lambeau to starboard through the finish gate south to a marker buoy west to another marker, north back to the Lambeau mark through the finish gate, to complete a 1 and ½ lap circuit along the Esplanade in Scarborough.

M, C, B CLASS:

Proceeding west toward the Foreshore area passing the outer Foreshore mark to starboard on to Westmooring, TTYC on their starboard to turn about two markers on their starboard in Dhien's Bay back to the Foreshore inner mark, leaving it to starboard they proceed to the Zanzibar marker off Movie Towne point, leaving it to port returning to the Hyatt markers to complete their circuit.

All Open M, C and B Class will then:

- Proceed around a marker buoy just north of the Five Islands keeping this to port proceeding west passing south of Carrera, Kronstadt, leaving Point Baliene to starboard then on to the 1st Boca turning to starboard to the North Coast.
- The M,C and B Class will proceed up the coast keeping Sauté D'eau to starboard until Maracas Bay. Into Maracas Bay turning about a marker and returning on the easterly run along the coast to Grand Riviere.

- At Grand Riviere the M,C and B Class will proceed turning northwest at compass bearing approximately 46 degrees (Magnetic) and proceeding across the shallows to Store Bay about two marks turning south around Crown Point east to a marker boat at Lowlands point.
- Keeping Red Rock to starboard, and keeping the marker buoy off Lambeau to starboard through the finish gate south to a marker buoy west to another marker, north back to the Lambeau mark through the finish gate, to complete a 1 and ½ lap circuit along the Esplanade in Scarborough.
